

SANDANA

SANDANA is a North Pacific 53E, semi-displacement motor yacht.

The North Pacific 53E, is an upgrade on the popular 49E created by extending the length of the hull. The Euro design and extended hull provide:

- Galley aft lay out, with a large salon galley area for expanded living area and entertainment
- Full beam center line master, with a queen VIP berth forward
- Huge windows in the salon / galley provide a feeling of being outside while being comfortably inside during inclement weather
- Extended cockpit with bench settee, with enough space to entertain 10+ guests
- Expansive Lazarette extends to the end of the swim deck providing tremendous storage
- Longer waterline length for more efficient cruising. Just under 14 kts max speed, with efficient cruising at 2 nm/gal at 7.5 to 8 kts

SANDANA is docked during the non-summer months in Vancouver, BC in fresh water, and is impeccably maintained by knowledgeable owners with over 30,000 nm experience.

Price: \$ 1,599,000

Hull, Exterior & Fittings:

- Solid, hand-laid fiberglass hull. Outer two layers are vinyl ester resin
- Superstructure cored primarily with closed-cell foam - Marine plywood & rigid PVC squares with International Paints epoxy barrier coating below water line
- International Paints Micron Extra 2+ coats anti-fouling bottom paint ("Carolina Smile" and 3 coats at the waterline)
- 5 coats of Interlux Interprotect 2000E epoxy barrier coat
- #316L, high polished stainless steel railings (1.5" top rail) & stanchions bolted into aluminum backing plates
- FRP no-skid deck on deck surfaces. Flexiteek in cockpit, swim deck and flybridge
- Aluminum sliding exterior doors for the PH with SS threshold, lock & ash interior

- Tinted tempered glass windows
- Bonded glass windows with black engine room vents and black gelcoat
- Emergency tiller
- Pure white high UV gelcoat
- Custom, black, see-through, privacy and sun protection cover for PH Windows

Major Mechanical:

- Cummins QSC 8.3-600HO diesel engine with 160 amp alternator. 1016 hours
- ZF305-3A transmission 2.5" Stainless steel shaft - Aqua 17
Tides SureSeal dripless shaft seal, with spare lip seal, Johnson shaft bearings
- Precision 4 blade propeller
- 2 station hydraulic steering
- FRP Rudder Platform & Tube with Stainless Steel bearing
- Cummins ETS (electronic throttle & shift) control module
- Underwater exhaust system
- Seacock & strainer for engine & generator raw water intake
- Seacocks & strainers with all plumbing and wiring for AC installed for future AC installation
- Reverse Oil change pump for engine, transmission & generator
- Engine room with 2" sound insulation
- Seafire automatic engine shutdown and automatic fire extinguisher
- Aluminum non-skid plate floors covered with 3/4" PVA foam (ER & Lazarette)

- Polished stainless steel engine mounts
- 6 - LED Engine room lights
- Hurricane Chinook diesel hydronic heating system, with defrost in PH
- Prep for Seakeeper SK9 in lazarette

Water, Fuel & Holding Systems:

- Sea cock and strainer on engine raw water intake
- Dual Racor 900 fuel filters for the engine
- Automatic bilge pump (3) + Manual emergency bilge pump (1)
- 2 x 350 gal Fiberglass fuel tanks; fuel lines for engine 1/2 ID; Acrylic sight gauges with shutoff valves
- Holding tank (65 GAL) w/ Whale Black Water diaphragm pump and Trident Premium sanitation hose
- Rule sump pump for showers
- Washdown pump with valve to use fresh or salt water
- 1 x 200 gal fiberglass water tank
- Fresh water system with dual variable speed pumps and accumulator tank - Whale UF2415B
- Whole boat water filtration system -3M Water Filter AP-904 -provides drinking water at every faucet.
- 20 gallon 240 V water heater in engine room
- FCI AquaMiser 1850 gal per day water maker in Lazarette

Electrical:

- Northern Lights 12 kw generator w/ sound shield, Racor fuel/water filter - 851 hours
- Sidepower SEP170 24v bow thruster - with proportional control
- Sidepower SEP-170 24v Stern Thruster -with proportional control with 2-AGM dedicated battery bank & combination bow/stern controls at both helms

- 24v Promar 2420P charger (2) for thruster batteries
- Maxwell RC12-10 24v Windlass with capstan
- Hella LED Navigational lighting
- KUS Gauge & sensors for water & fuel tank level
- Engine room blower
- Batteries: 4 House - 12v/200Ah AGM batteries in box, 2 - Thruster/Windlass 12v/100Ah batteries in box, 1 - engine start, 1 generator start
- 12 V Magnum MS2812 2800W inverter/charger (pure sine wave) with Magnum Energy ME-ARC Remote Battery Monitor
- 240 V inverter/ charger provides an extra 100 A charger for the house bank, and powers the microwave when at anchor
- Bonded electrical system
- 50 amp 125/250v SmartPlug shorepower connection, with ELCI, at the bow with extra 50' 50 A shore power cord with SmartPlug
- Glendinning power cable retractor and 50amp 125/250v cord at stern with ELCI with 65' cable
- Master control panel (AC/DC circuit breakers) with Blue Sea Magnetic Relays
- Engine Room & Lazarette light switches at entrances
- 12v LED ceiling & rope lighting throughout interior
- 12v LED courtesy lights throughout interior and exterior
- Fusion MS-AV755 Stereo System - Mounted in salon; 2 Fusion FM-F65RW speakers each in the salon and pilothouse; Fusion MS-CL602W speakers on the flybridge. Fusion MS-AM402 2-channel amplifier for salon speakers; HDMI output from Fusion to TV for use as a DVD player
- 3 - 200 watt Solar Panels with MPPT Charge Controller

Cockpit & Swim Deck:

- LED Lighting in cockpit and on swim platform two hatch access to access lazarette - gas assisted
- Stainless steel handrails on aft salon wall

- Stainless steel and frosted glass transom door (2)
- FRP Bulwark gate doors on port and starboard side
- Almost full beam custom made glass/stainless steel sliding aft door for salon entry
- Plisse retractable screens for salon and pilot house doors
- Port swim platform locker with fresh/sea water wash-down outlet & notched door
- Starboard swim platform locker with Glendinning power cable retractor and 65' cable, & notched door
- Aft deck fresh hot/cold water shower
- Sole drains (2)
- Fully integrated swim deck with flip-up cleats at outer corners
- Swim deck rub rail
- Swim ladder integrated into the swim deck
- SS Lazarette ladder w/ teak steps
- 3 - LED Lazarette lights
- Fiberglass platform to mount steering mechanism
- Dripless rudder bearing
- Flexiteek 2G deck on swim platform and cockpit floor
- 2" Folding Staple Rails on swim deck
- Cockpit ladder to flybridge - available - not installed
- Built-in cockpit seating, with storage underneath, with high gloss expandable teak table

Flybridge:

- Lebroc Series II helm seat with exterior fabric (2) w/ 4" aluminum pedestal
- Stainless steel steering wheel
- Engine gauges

- Hardtop (mounted with solar panels, radar and antennas)
- Cummins single lever ETS control
- Windlass control
- Bow & stern thruster control
- Helm Compass
- Hardtop with 4 overhead lights
- Flybridge windscreen
- Fused 12V switches to control systems and lights on the flybridge
- Courtesy lights
- D/C outlet (1)
- GFI AC outlet on starboard side (1)
- Anchor light - LED
- Hella NaviLED LED navigation lights
- Dual trumpet air horn
- Stainless Steel North Pacific Yachts nameplates (2)
- Stainless steel flag base
- Stainless steel perimeter railings with aluminum backing plates
- Storage cabinet/propane locker on port side of helm seat with 2 Viking composite propane tanks (22 lb and 11 lb)
- Boat deck drains, plumbed to the waterline (2)
- Sunbrella-covered guest seating with SS/cushioned seat backs with storage underneath - Sunbrella Baycrest Pacific
- Sunbrella canvas cover for dual helm seat, instrument console, all seating - Sunbrella Crest Ash
- FRP table and stainless steel stanchions, adjustable height
- L bench seating across from straight bench

- Flexiteek between bench seats
- Nick Jackson mini-hydraulic davit, #1000 -with power rotation
- Standard flybridge railing with safety cable section for davit & along aft edge with removable staples railings along the aft edge
- 11'6" AB-11ALX RIB, aluminum bottom with 25 hp 4 stroke Yamaha engine, 6 gal fuel tank, Garmin multi-function chart plotter and sounder.
- Weaver chocks, tie down straps, lifting harness, 2 x 5 gal extra gas cans, 75' float-line for towing, and cover for the tender.
- Domestic 90 liter fridge/freezer runs on AC, with Sunbrella cover that matches the settee covers. Additional fridge/freezer space for lots of provisions or fish!

Forward Walk-Around:

- Courtesy lights
- 50amp 125/240v SmartPlug Shorepower inlet with ELCI, with extra 50' shorepower cord with SmartPlug
- Foredeck settee with moulded seat cushions, and Taco Hinge fold-down seatback Sunbrella canvas seating cover - Sunbrella Crest Ash
- FRP Bow Pulpit with anchor guide, guide lines and rub strakes
- Ultra Anchor (45 kg) with swivel. Two (2) bridles with Wichard clips.
- 450' of 3/8" high-test galvanized anchor chain.
- Chain locker, divided in half, with SS drain tubes
- Stainless-steel windlass foot switch covers
- Switched fresh & sea water wash-down with hose connector
- Large diameter stainless steel Sampson Post

Interior:

- Solid oak plank flooring throughout except in Meganite for head and shower floors
- Ash wood paneling and cabinetry throughout with 7+ coats of poly urethane for a smooth finish
- Accent wenge wood, black wood and fabric panels, wenge gaps in select walls
Lacquered painted select cabinet doors and wood panels

- Square push buttons on all cabinet doors and drawers
- Dovetailed drawers
- Full extension slides - soft close slides in the galley
- Chrome light fixtures, push buttons & cabinet pulls
- Cedar lining in all hanging lockers
- Window Valences installed throughout boat with Screens on all sliding windows
- Soft vinyl headliners - attached with Velcro
- Ultraleather for interior cushions - Tusk
- Norman honeycomb shades on all salon & pilot house windows with blackout shades in the staterooms

Salon & Dinette:

- LED downlighting & rope lighting throughout
- A/C outlets with USB
- Engine room hatches (3) with hinged/gas strut support for primary entrance
- AC power outlet (2) inside Small Cabinet: Back wall, near the floor
- Reading lights
- CO / fire Detectors
- Wenge wood stairs to Pilothouse, with two under-tread storage areas
- HDMI TV input jack near port side settee
- Port side forward of galley, full L settee
- Folding high/low, high gloss moveable dining table
- Starboard side cabinets topped with Mt Crema Carrara Meganite
- Cabinetry along starboard side of salon
- Starboard side 50" HD Samsung LCD TV with under counter electric lift
- Liquor cabinet with glass door forward of galley counter

Galley:

- LED downlighting throughout
- Solid-surface countertop with raised edge along forward section - Meganite Mt Cremo Carrara
- 23" single stainless sink with faucet with pullout spout
- 3M Water Filter inline to galley for extra filtered drinking water
- Electric pop up cabinet port side of galley with Keurig coffeemaker
- Range hood with lights, vented outside
- Summit propane 5 burner cooktop
- Electric oven / microwave combination- 240v GE Profile. Microwave can run off the 240 V inverter.
- Cabinets above galley countertop w/ lacquered doors
- Utensil holder in top drawer aft of sink
- Summit stainless steel 17 cu.ft fridge/freezer

- **Master Stateroom:**

- Full beam midship layout
- LED downlighting & rope lighting throughout
- LED reading lights
- A/C outlets (4) - (2) with USB
- Center queen island bed with hydraulic lift to access storage area below - 4 drawers underneath
- 5" thick fabric covered foam mattress with 3" gel pad on top
- Fabric headboard with black and wenge trim
- Small bedside cabinet on each side of the bed with meganite top
- Large hanging lockers (2)

- Drawers port & starboard
- Samsung frame TV on forward wall
- CO Detector
- Large hull window with opening port (2) and screens
- Washer and dryer (Splendide) - separate units, not a combo unit

Master Head:

- LED downlighting & rope lighting throughout A/C outlet (1)
- Tecma toilet with fresh water flush
- Mirror & medicine cabinet
- Wall mounted make-up mirror
- Ceramic sink and chrome faucet
- Shower stall - with exhaust fan
- Mosaic tile and meganite walls as well as fiberglass - teak shower seat, Shower control and nozzle
- Frosted shower glass door with NP logo
- Solid surface countertop - Meganite Mt Cremona Carrara
- Opening, screened porthole window (2), with Clozure privacy screen
- Holding tank level gauge with exterior tank sensors
- Trident Premium sewage hose
- Towel racks and other hardware
- Shower drains to automatic sump pump

Guest Head:

- LED downlighting & rope lighting throughout A/C outlet (1)
- Tecma toilet with fresh water flush
- Mirror & medicine cabinet

- Ceramic sink and chrome faucet
- Shower stall - with exhaust fan
- Mosaic tile and megranite walls as well as fiberglass - teak shower seat
- Frosted shower glass door with NP logo
- Solid surface countertop - Megarite Mt Crema Carrara
- Opening, screened porthole window with Clozure privacy screen
- Trident Premium sewage hose
- Towel racks and other hardware
- Shower drains to automatic sump pump
- Holding tank level gauge with exterior tank sensors
- Megarite floor, same color as the counter and shower

VIP Stateroom:

- LED light (4) plus accent rope lighting A/C outlet (2)
- Reading light (2)
- Queen island bed with access on each side, 5" thick fabric covered foam mattress with 3" gel pad
- Fabric headboard
- Numerous drawers & cabinets
- Megarite counter tops on each side - Galaxy Mist
- Large hull window with opening port (2)

Pilothouse:

- LED downlighting & rope lighting throughout
- A/C outlets with USB (2), DC outlet (1)
- AC & DC electrical panels - Blue Sea
- Helm Compass (HF-743)

- Stidd 1200 helm seat
- Hella Turbo fan (2)
- Dash area covered with Ultraleather as well as area between windows and the small fwd ceiling above the helm
- Cummins single lever ETS control
- Bow & Stern thruster control
- Windlass control with AA150 chain counter
- Horn control
- Electric fuel and water gauges
- Analog engine gauges & Garmin Gateway
- Teak or wenge steering wheel
- Intermittent Windshield wipers (3) with EX210604 control
- Windshield washer (3)
- L shaped bench seat with folding table and SS support
- Storage cabinets and drawers
- Reading light above bench seat (2)
- Aft window opening and screened
- Overhead hatch with screen
- Spotlight control with remote for FB station

Garmin Package:

Pilothouse:

- (1) GPSMap 8612xsv multifunction display w/ fishfinder module (1) GPSMap 8412 multifunction display
- (1) GHC20 autopilot control
- Vesper AIS Cortex radio
- (1) Icom VHF - IC-M510

Flybridge:

- (1) GPSMap 8612 multifunction display
- (1) GHC20 autopilot control
- (1) Icom VHF -IC-M510

Other Electronics:

- Garmin GMR 424xHD Radar, 4' open array and pedestal - 72 nm
- B260 transducer
- Garmin GHP Reactor 40, Hydraulic system corepack with Smart Pump (autopilot)
- GC12 reverse image camera (3) Mounted to hardtop looking aft, upper deck looking aft, engine room
- (2) VHF antenna
- AM/FM Stereo Antenna
- Starlink High Performance - "in-motion" flat panel antenna

Other Equipment:

- Dri-Deck decking added under bow settee & forward starboard FB cushions
- Dri-Deck decking in all exterior lockers / cabinets
- Taylor-made 10" fenders (6)
- Docklines: 3/4' numerous 15 - 50'
- Numerous spare parts and fluids - too many to list
- Rugs: (1) along the length of the salon & entry doors in PH (2)

Additional items/equipment available, but not included in sale price:

- Stressless recliner - Consul (medium) leather
- Ultraline stern tie-reel. High gloss stainless with 330' of flatline
- EarTech Wireless Headsets
- Tineco vacuum
- Vornado Fans, (4), Caframo Heaters (4), Dehumidifier
- Pelican Kayaks (2) with Bending Branches lightweight paddles, & rail mount holders
- Teak deck chairs - Westminster (3) (new \$ 650 ea.) with matching folding teak table
- Dahon Mariner 8 folding bicycles (2)

Maintenance:

- Full maintenance records available
